As far as its role is concerned, it is averred that the present Civic and Ethical Education curriculum is progressive compared to its predecessors (Tesfaye et al., 2013). As some literature argues, Civic and Ethical Education has been contributing to creating good citizens as it works with other countries in the world (Gosa and Desta, 2014). Some studies conducted at the university level have shown that Civic and Ethical Education has been developing and promoting civic skills, knowledge and ...
