Service Repair

Instead, here is my friend's 2000 Aprilia Scarabeo 50cc scooter. He bought it for his daughter to use a year ago. He fitted a new battery and two new tyres, got it MoT'ed and took it home. His daughter said, "Thanks Dad", then never rode it, so it has sat in his shed ever since. The MoT expired a couple of weeks ago, and his daughter moved out some while ago, so he has decided to move it on.
