A perfect introduction to Melanie Klein's modern neuroscientific research. Melanie Klein's writings, particularly on infant development and psychosis, have been crucial both to theoretical work and to clinical practice. Envy and Gratitude collects her writings from 1946 until her death in 1960, including two papers published posthumously. Klein's major paper, 'Notes on Some Schizoid Mechanisms', introduces the concept of the paranoid-schizoid position, in which the infant ego splits, projects and introjects its objects - most particularly the mother - during the first few months of life. Envy and Gratitude, her last major work, introduces her theory of primary envy.

These stimulating essays are evidence that 50 years after its publication Melanie Klein's Envy and Gratitude is still a rich source of psychoanalytic inspiration. Sixteen highly regarded analysts, representing a wide range of psychoanalytic thinking, provide new insights and highlight current developments without avoiding the controversies that surround the original publication. The clinical and literary material is engaging and illustrates the effect of theory on practice and the influence of practice on the evolution of theory. Contents: Foreword - R. Horacio Etchegoyen Introduction - Priscilla Roth 1) "Even now, now, very now . . ." On envy and the hatred of love - Igenes Sodre 2) Envy, narcissism, and the destructive instinct - Robert Caper 3) Envy and Gratitude: some current reflections - H. Shmuel Erlich 4) An independent response to Envy and Gratitude - Caroline Polmear 5) On gratitude - Edna O'Shaughnessy 6) Keeping envy in mind: the vicissitudes of envy in adolescent motherhood - Alessandra Lemma 7) Envy in Western society: today and tomorrow - Florence Guignard 8) He thinks himself impaired: the pathologically envious personality - Ronald Britton 9)

anxiety situations, symbol formation, and envy.

Examines the instinctual and mental sources of hate, greed, aggression, love, guilt, and reparation and probes the natural human desire for balance between positive and destructive forces

Tavistock Press was established as a co-operative venture between the Tavistock Institute and Routledge & Kegan Paul (RKP) in the 1950s to produce a series of major contributions across the social sciences. This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print, or are difficult to locate. Published by Routledge, 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library: Classics from the Tavistock Press. Reproduced here in facsimile, this volume was originally published in 1957 and is available individually. The collection is also available in a number of themed mini-sets of between 5 and 13 volumes, or as a complete collection.
