For centuries mystical creatures of all description were gathered into a hidden refuge called Fablehaven to prevent their extinction. The sanctuary survives today as one of the last strongholds of true magic. Enchanting? Absolutely. Exciting? You bet. Safe? Well, actually, quite the opposite. Kendra and her brother, Seth, have no idea that their grandfather is the current caretaker of Fablehaven. Inside the gated woods, ancient laws keep relative order among greedy trolls, mischievous satyrs, plotting witches, spiteful imps, and jealous fairies. However, when the rules get broken -- Seth is a bit too curious and reckless for his own good -- powerful forces of evil are unleashed, and Kendra and her brother face the greatest challenge of their lives. To save their family, Fablehaven, and perhaps even the world, Kendra and Seth must find the courage to do what they fear most.

Since ancient times, the great demon prison Zzyzx has protected the world from the most dangerous servants of darkness, including Gorgrog, the Demon King. After centuries of plotting, the Sphinx is on the verge of recovering the five artifacts necessary to open the legendary prison. Facing the potential of a world-ending calamity, all friends of light must unite in a final effort to thwart the Sphinx s designs and find a safe home for the five artifacts. To this end, Kendra, Seth, and the Knights of the Dawn will venture far beyond the walls of Fablehaven to strange and exotic magical preserves across the globe, where the end of every quest becomes the beginning of another. In this explosive series finale, allegiances will be confirmed and secrets revealed as the forces of light and darkness collide in a desperate struggle to control the keys to the demon prison.

Kendra and Seth race to claim a talisman that could help them in their quest to protect the world from total dragon domination in this second novel of the New York Times bestselling sequel series to Fablehaven from author Brandon Mull. War has come to the dragon sanctuaries of the world, and the danger is most intense at Wyrmoost. After a humiliating defeat at the hands of Kendra and Seth, Celebrant, King of Dragons, prepares to unleash his fury and take control of his native preserve. Armed with information from a new ally-Ronodin, the dark unicorn-Celebrant seeks a legendary talisman-the dominion stone. However, the powerful stone is protected by a cursed castle. Upon entering the castle fortress, an unyielding power strips all magical beings of their power and forces Celebrant to take his human avatar form. Kendra and Seth must enter the cursed castle as well. The race is on. Will the two young caretakers rally enough support from the creatures of Wyrmoost against the greatest threat the magical community has faced in ages? Can they foil Celebrant’s plan and beat him to the mighty dominion stone? Or will all hope be shattered by the wrath of the Dragon King?
