always as they seem. This time, after buying her favorite lemon twists from Bindlehofs Grocery, Katie meets a tree full of owls on one of her fishing excursions along the Ratty Fly. These owls inform her that one of her lemon twists isn't what she thinks it is, and when a magical wind steals it away, Katie knows they must be telling the truth. Now the town believes that the owls are bringing everyone bad luck. Meanwhile, a mysterious gypsy woman is also searching for the magical spiral that is not a lemon twist, and only time will tell if Katie can keep the promise that she made to the owls. In this fantasy tale, one adventurous girl sets out to solve her town's problem of bad luck, assist a group of owls, and retrieve a magical item from a strange gypsy woman.

Will the truth set her free...or keep her forever a prisoner of the past? When Charity ran away with the Romany Gypsies, she left everything behind. Her name. A way of life constrained by English rules. The punishments her cruel father meted out in the name of God. And the young man who made it all bearable. Certain things she can't hide, even in wild, remote Wales. A secret longing for the ease of English life. The wisps of faith that still linger. And her reaction to a handsome face she thought she'd never see again. Daniel Hayward would recognize that voice anywhere. That unruly, copper-colored hair. Those piercing blue eyes. But what is Charity Weston doing wearing Gypsy garb in Wales...when she died years ago? For a moment, the grief that never quite left him is transformed into joy. But the walls between them now are built from bricks of culture clashes, bitter memories, and fear. To find his way, Daniel will have to trust as never before that God will guide their hearts home at last. Does he love the girl she was...or the woman she has become?
