Amanda Hocking's My Blood Approves is sort of a Vampire Diaries meets Twilight. There's vampire family love, there's two irresistible vampire bros the girl is caught between and yet it was still a rather good read! As you know I'm not really a Twilight fan, but I wasn't disgusted or annoyed with this book at all.

What struck me most about the latest in the My Blood Approves series is the evolution of Alice. She is at the heart of Wisdom. The title is appropriate - for she is growing in it herself. Wisdom seemed to me to be a bit deeper than the past three books - more introspective, with more character growth than any other in the series.

~~Wisdom (My Blood Approves, #4) by Amanda Hocking~~

My Blood Approves, the Everyone on this fucking book is a bloody moron, the romance, if you can even call it that, is fucking deplorable , and the plot has more holes than a fucking French cheese. I'm just glad I went through this painful read for one reason only: I will never read more books by Amanda Hocking.

Seventeen-year-old Alice Bonham's life feels out of control after she meets Jack. Then she meets his brother Peter. But falling for two very different guys isn't even the worst of her problems. Jack and Peter are vampires, and Alice finds herself caught between love and her own blood.

Seventeen-year-old Alice Bonham's life feels out of control after she meets Jack. With his fondness for pink Chuck Taylors and New Wave hits aside, Jack's unlike anyone she's ever met. Then she meets his brother, Peter. His eyes pierce through her, and she can barely breathe when he's around. Even though he can't stand the sight of her, she's drawn to him. But falling for two very different guys isn't even the worst of her problems. Jack and Peter are vampires, and Alice finds herself caught between love and her own blood...

In the final book of the My Blood Approves series... Alice has moved on and is settling into a new country with a new career as a vampire hunter. Finally, she's created a stable, happy life for herself and her family, including her boyfriend Jack. Or at least as stable as her life can be, especially with a dangerous vampire cult resurfacing. But everything she's worked for is put in jeopardy when she receives a disturbing message - one that sends her on a quest that delves into a tragic mystery that has haunted Peter for years. BONUS: The paperback version includes the My Blood Approves novella "Letters to Elise" - never before released in print!

Being undead doesn't make life any easier for Alice Bonham. Her younger brother's love life is heating up, while hers is... more complicated. Mae is falling apart, her best friend Jane is addicted to vampire bites, and if Alice doesn't get her bloodlust under control, someone will end up dead. Alice volunteers for a rescue mission with Ezra. But going up against a pack of rabid vampires might be too much, even for him.

Alice Bonham thinks she's finally found a balance in her life between the supernatural and real life with her brother Milo. Jack - her sorta vampire boyfriend - keeps her at arm's length to keep her safe. As for his brother Peter... she's not sure where he's at, or what he wants with her. Worse still, she's not even sure what she wants with Peter. When tragedy happens, Alice finds herself struggling with a terrible choice. Her decision has consequences that reach farther than she'd ever imagined...

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world, and Switched is the book that started the phenomenon. Prepare to be enchanted... When Wendy Everly was six years old, her mother was convinced she was a monster and tried to kill her. Eleven years later, Wendy discovers her mother might have been right. She's not the person she's always believed herself to be, and her whole life begins to unravel—all because of Finn Holmes. Finn is a mysterious guy who always seems to be watching her. Every encounter leaves her deeply shaken...though it has more to do with her fierce attraction to him than she'd ever admit. But it isn't long before he reveals the truth: Wendy is a changeling

who was switched at birth—and he's come to take her home. Now Wendy's about to journey to a magical world she never knew existed, one that's both beautiful and frightening. And where she must leave her old life behind to discover who she's meant to become... As a special gift to readers, this book contains a new, never-before-published bonus story, "The Vittra Attacks," set in the magical world of the Trylle.

Fall under the spell of *Wake*—the first book in an achingly beautiful new series by celebrated author Amanda Hocking—and lose yourself to the Watersong. Gorgeous. Fearless. Dangerous. They're the kind of girls you envy; the kind of girls you want to hate. Strangers in town for the summer, Penn, Lexi and Thea have caught everyone's attention—but it's Gemma who's attracted theirs. She's the one they've chosen to be part of their group. Gemma seems to have it all—she's carefree, pretty, and falling in love with Alex, the boy next door. He's always been just a friend, but this summer they've taken their relationship to the next level, and now there's no going back. Then one night, Gemma's ordinary life changes forever. She's taking a late night swim under the stars when she finds Penn, Lexi and Thea partying on the cove. They invite her to join them, and the next morning she wakes up on the beach feeling groggy and sick, knowing something is different. Suddenly Gemma is stronger, faster, and more beautiful than ever. But her new powers come with a terrifying price. And as she uncovers the truth, she's forced to choose between staying with those she loves—or entering a new world brimming with dark hungers and unimaginable secrets.

Enter the magical world of the Trylle with the full e-book collection: *Switched*, *Torn*, and *Ascend* from New York Times bestselling author Amanda Hocking. When Wendy Everly was six years old, her mother was convinced she was a monster and tried to kill her. Eleven years later, Wendy discovers her mother might have been right. She's not the person she's always believed herself to be, and her whole life begins to unravel—all because of Finn Holmes. Finn is a mysterious guy who always seems to be watching her. Hidden deep in the heart of a snow-covered wilderness lies the secret kingdom of the Kanin—a magical realm as beautiful as it is treacherous... Bryn Aven has never fit into Kanin society. Her blond hair and blue eyes set her apart as an outsider—a half-blood unable to hold a respectable rank. But she's determined to prove herself as a loyal protector of the kingdom she loves. Her dream is to become a member of the King's elite guard, and she's not going to let anything stand in her way...not even her growing feelings for her boss, Ridley Dresden. A relationship between them is strictly forbidden, but Bryn can't fight her attraction to him. And she's beginning to think he feels it too. Meanwhile, there's an attack on the kingdom—one that will test Bryn's strength like never before. Finally, she has the chance to confront Konstantin Black, the traitor who tried to kill her father years ago. It's up to Bryn to put a stop to him before he strikes again. But is she willing to risk everything to protect a kingdom that doesn't accept her for who she really is? And when her mission brings her closer to Ridley, will she be able to deny her heart?

Nineteen-year-old Remy King is on a mission to get across the wasteland left of America, and nothing will stand in her way - not violent marauders, a spoiled rock star, or an army of flesh-eating zombies.
