No Game No Life: No Game No Life, Vol. 8 (light novel) - Ebook written by Yuu Kamiya. Read this book using Google Play Books app on your PC, android, iOS devices. Download for offline reading, highlight, bookmark or take notes while you read No Game No Life: No Game No Life, Vol. 8 (light novel).

In the world of Disboard, everything is decided by games. Since arriving in this strange place, genius gamer siblings Sora and Shiro have risen to become king and queen of what's left of Disboard's humans. Their latest challenge is winning an unwinnable romance game against the races of Dhampir and Siren. To uncover the true strategy to beat this sadistic game of love, they head for the home of the angelic Flügel: the midair city of Avant Heim. But the Flügel are a hideously powerful race, created specifically to kill gods. Will things really go as planned?

The original light novel that started the phenomenon! In this fantasy world, everything's a game--and these gamer siblings play to win! Meet Sora and Shiro, a brother and sister who are loser shut-ins by normal standards. But these siblings don't play by the rules of the "crappy game" that is average society. In the world of gaming, this genius pair reigns supreme, their invincible avatar so famous that it's the stuff of urban legend. So when a young boy calling himself God summons the siblings to a fantastic alternate world where war is forbidden and all conflicts--even those involving national borders--are decided by the outcome of games, Sora and Shiro have pretty much hit the jackpot. But they soon learn that in this world, humanity, cornered and outnumbered by other species, survives within the confines of one city. Will Sora and Shiro, two failures at life, turn out to be the saviors of mankind? Let the games begin...!

One of the gamer siblings has vanished! In the world of Disboard, everything is decided by games. And after rising to reign as the monarchs of the remnants of Disboard's humans, gamer siblings Sora and Shiro have now wagered the fate of every human being alive on the outcome of a game against

the Eastern Union! But immediately after making this wager, Sora disappears, leaving only a cryptic message behind. " ", the legendary two-in-one gamer, has been torn asunder! What is Sora thinking? What will Shiro do? What will become of humanity? And what about the paradise of animal girls?! In the third volume of the bestselling alternate-world fantasy series, it's a risky showdown against the Werebeasts!

Situation critical! The monarchs of Elkia--and Izuna and Holou too!--have been trapped inside the bathhouse for four days and counting. It's beyond time to stage a rescue mission, but how? When even the power of the mighty flügel isn't enough to get past the barrier, Stuch is at her wits' end. What would Sora and Shiro do in a situation like this...? Let the games begin!

Social-phobic Sora and shut-in Shiro form a genius gamer sibling duo. The two find the world to be a lousy game...until someone claiming to be God transports them to a world where everything is decided by games! Will these two failures at life become the saviors of a strange, new world?

History repeats itself...or does it?!With the end of Sora and Shiro's dice game against the Old Deus fast approaching, they're faced with completing Jibril's final task-a strategic simulation game set during the ancient Great War, before the world of Disboard changed. As leaders of the weakest race, Immanity, the gamer siblings have one objective: Ensure that in this version of the War, no one dies. But when their Old Deus opponent demands a sacrifice, Sora and Shiro will have to come up with some unconventional tactics to secure victory!

Gamer siblings Sora and Shiro have at last defeated the Old

Deus Holou, and now they're switching gears: their next endeavor is to make Holou the number-one idol pop star in all of Disboard! But amid the chaos of their pet project comes a strange message from the representative of the 10th-ranked race, the Ex Machina... Is another arduous battle on the horizon for Sora and Shiro?!

A twist of fate landed Sora and Shiro in a bizarre world where everything, even war and politics, is decided by the outcome of games. For a couple of pro-gaming savants like them, it's the ultimate playground. With the fate of mankind's last kingdom on the line, they're ready to wager everything! The rules are stacked against them, the enemy is only too happy to cheat, and there's even magic involved, but one thing's for sure--no one plays a better game than they do.

Before Sora and Shiro set foot on Disboard, there was another remarkable duo!! Tet, the One True God, takes a break to amuse himself among the mortals only to collapse on the streets of Elkia. When a familiar face finds him and lends a helping hand, the God of Play regales her with a tale from the Great War about a human man who challenged the world and a strange girl who sought to comprehend the human heart... Let the games begin!

Sora, Shiro, Steph, Jibril, and Emir-Eins somehow find themselves in a completely unfamiliar place: Spratul, home of the ninth-ranked Ixseed, the Fairy race. Next thing they know, a Fairy named Foeniculum shows up and announces that unless they partner up as couples, they'll be trapped there forever... Oh, and the whole thing is being livestreamed. To emerge victorious, Sora must choose one of the four ladies as his girlfriend--but what if they simply pair off with one another and leave him in the lurch?!
