Investing in the stock market is challenging, as the market dynamics are unpredictable. Analysts, brokers and retails investors realize to their dismay that investments do well, but investors don t do well . What could be the reasons behind this? What goes on in an investor s mind? What makes a stock market bubble? How does it burst?

How does one find the right strategy of investing? Intrigued by these pertinent questions, Parag Parikh, a seasoned broker and expert, took up this daunting task of understanding and demystifying investing in the stock market. *Stocks to Riches* is a distillate of his experience. It simplifies investing in stocks and provides key perspectives for a lay investor venturing into the market. At the end of the day, *Stocks to Riches* helps the retail investor make money by following the time-tested and proven guidelines provided in the book. A must read for brokers, analysts and retail investors.

With the 1998 debut of its V92C, Victory Motorcycles became the New American Motorcycle. Victory's innovative, stylish heavyweight cruiser motorcycles attracted a loyal, hard-riding following, but not the market share needed to survive. This richly
