place. One resulted in the creation of Pakistan, and militant separatist movements flourish in Kashmir, Punjab, Manipur, Mizoram, Nagaland, and Assam. In *India Against Itself*, Sanjib Baruah

focuses on the insurgency in Assam in order to explore the politics of subnationalism. Baruah offers a bold and lucid interpretation of the political and economic history of Assam from the

# Download Ebook Sanjib Gogoi Ph D

time it became a part of British India and a leading tea-producing region in the nineteenth century. He traces the history of tensions between pan-Indianism and Assamese subnationalism since the

early days of Indian  
nationalism. The region's  
insurgencies, human rights  
abuses by government  
security forces and  
insurgents, ethnic violence,  
and a steady slide toward  
illiberal democracy, he

argues, are largely due to India's formally federal, but actually centralized governmental structure. Baruah argues that in multiethnic polities, loose federations not only make better democracies, in the

era of globalization they make more economic sense as well. This challenging and accessible work addresses a pressing contemporary problem with broad relevance for the history of nationality while offering

an important contribution to the study of ethnic conflict. A native of northeast India, Baruah draws on a combination of scholarly research, political engagement, and an insider's knowledge of

Addressing an important gap  
in the historiography of  
modern Assam, this book  
traces the relatively  
unexplored but profound

transformations in the agrarian landscape of late- and post-colonial Assam that were instrumental in the making of modern Assamese peasantry and rural politics. It discusses the changing relations between

# Download Ebook Sanjib Gogoi Ph D

various sections of  
peasantry, state, landed  
gentry, and politics of  
different ideological hues –  
nationalist, communist and  
socialist – and shows how a  
primarily agrarian question  
concerning peasantry came to

This book presents a

comprehensive account of the debates on sovereignty, self-determination and nationalist upsurges in India's Northeast, especially Assam. At a deeper level, it analyses how multi-ethnic societies

complex interrelationships between the centre and the region. It also proposes a new structure of 'Common Ethnic House' to resolve persistent inter-ethnic tensions among different communities and the impasse

The Story of Felanee is

*Page 84/96*

# Download Ebook Sanjib Gogoi Ph D

based on real life events.  
It is a story of courage, of survival, of ethnic conflict and violence that tears people and communities apart in the most brutal, savage way. Set in Assam, which has seen two major agitations

# Download Ebook Sanjib Gogoi Ph D

that have crippled the economy, this is a story that will shock the reader by its sheer passion, and its brutal honesty. The callousness and utter disregard for human life, the ugly play for power, for

# Download Ebook Sanjib Gogoi Ph D

electoral gain, the sham and petty hypocrisies, the bloody horror of ethnic violence all lie exposed in this powerful novel written by one of Assam's leading fiction writers. The story revolves around the

experiences of one woman:  
Felanee. Her name means  
'thrown away'—so called  
because as her mother lay  
dying in the burning riot-  
torn village, Felanee was  
thrown into a swamp and left  
to die. But against all

odds, Felanee—and thousands like her—survived. Like the reeds that grow in such profusion along the bank of Assam's rivers, the rootless inhabitants of the refugee camps and makeshift shanties, whose stories form

the core of Felanee, are swept along by the wind and thrown onto new hostile terrain but they cling on with tenacity to take root again and again. Published by Zubaan.
