From the 2150s to the 2250s, it was a common for slave traders, smugglers, criminals, and traffickers of women to stereotype Orion women as being "animalistic" in nature, characterizing them as having "extreme" carnal appetites and "certain innate skills."

Incidents in the Life of a Slave Girl is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Child, who edited the book for its author, Harriet Ann Jacobs. Jacobs used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself

and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." She explores the struggles and sexual abuse that female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children might be sold away. Jacobs' book is addressed to white women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity to expand their knowledge and influence their thoughts about slavery as an institution.

Harriet Jacobs was born into slavery; it's the only life she has ever known. Now, with the death of her mistress, there is a chance she will be given her freedom, and for the first time Harriet feels hopeful. But hoping can be dangerous, because disappointment is devastating. Harriet has one last hope, though: escape to the North. And as she faces numerous ordeals, this hope gives her the strength she needs to survive. Based on the true story of Harriet Ann Jacobs, *LETTERS FROM A SLAVE GIRL* reveals in poignant detail what thousands of African-

Nimia is forced to attend shocking lessons in the erotic arts; lessons that leave her body aroused and her mind conflicted.
