In December 2014, Image published Saga Deluxe Edition Volume 1, a hardcover volume collecting the first 18 issues of the series, which comprise its first three story arcs. Because Vaughan sees Saga as a story about Hazel, he and Staples decided to have each new hardcover volume feature an original image of that character at a different stage of her life.

“ Decadence has never seemed so sweet and innocent as it does in Brian Antoni ' s lost world of deco and disco in pre-millennial Miami. ” —Jay McInerney This second novel by the acclaimed author of Paradise Overdose, is a “ candy-colored and warmhearted . . . story of one man ' s moral and sexual flowering ” (The New York Times Book Review). At the ripe old age of twenty-nine, globe-trotting, trust fund-crowned Gabriel Tucker is horrified to learn that all that ' s left of his inheritance is a crumbling Miami Beach apartment building named the Venus De Milo Arms. Alone, penniless, and lacking any sort of useful skills, he heads to Miami to reconstruct his life. His new neighbors are an unlikely mix of tenants: an elderly Holocaust survivor, a lip-synching drag queen, a cynical two-bit gossip columnist, and a rebellious young performance artist who Gabriel starts to fall for. Quickly he is thrust into the outrageous world of South Beach, where temptations abound and quick fortunes, mountains of drugs, nonstop sex, and beautiful women (and men) for sale (or rent) are the order of the day. He becomes a ringside witness to the excesses and intrigues of Italian fashion empires, Cuban refugee supermodels, rapacious German developers, old-fashioned crooked politicians, and a cast of colorful characters that would make Caligula blush. South Beach ' s debauched and seductive glow makes for an unlikely place to start over. But it is here, among the faded art deco buildings and eclectic residents, that Gabriel will find a home—and a love—that he never expected. “ [Antoni] mischievously and triumphantly combines explicit sexual encounters with keen, hilarious social commentary and genuine compassion to create a love letter to a crazy place and a sweet tale of friendship, succor, and love. ” —Booklist

Immerse yourself within the pages of the gripping Talon Saga by New York Times bestselling author Julie Kagawa. Dragons walk among us in human form...but soon the secretive Talon organization will make its move to fly from the shadows and take over the world, in this fiery young adult fantasy series perfect for fans of Marie Liu, Cassandra Clare and Gena Showalter! TALON To take her rightful place in the Talon organization, young dragon Ember Hill must prove she can hide her true nature and blend in with humans. Her delight at the prospect of “ normal ” teen experiences is short-lived, however, once she discovers that she ' s also expected to train for her destined career in Talon. But a chance meeting with a rogue dragon will soon challenge everything Ember has been taught. ROGUE Ember Hill left the dragon organization Talon to take her chances with rebel dragon Cobalt and his crew of rogues. But she can ' t forget Garret, the soldier of the dragonslaying Order of St. George who saved her from a Talon assassin—and by doing so, signed his own death warrant. SOLDIER Forced to choose between becoming an assassin for the dragon organization Talon and being hunted forever as an outcast, Ember Hill now stands with Riley and his band of rogue dragons. She ' s lost contact with her twin brother, Dante, a Talon devotee, as well as Garret, the former enemy soldier who challenged her beliefs about her human side. LEGION Dragon hatchling Ember Hill was never prepared to find love at all—dragons do not suffer human emotions—let alone with a human, and a former dragonslayer at that. With ex-soldier of St. George Garret dying at her feet after sacrificing his freedom and his life to expose the deepest of betrayals, Ember knows only that nothing she was taught by dragon organization Talon is true. Titles originally published in 2014, 2015, 2016, and 2017.

Inside the Music of Brian Wilson is, as author Phillip Lambert writes in the prologue "completely, and intensely, focused on the music of Brian Wilson, on the musical essence of his songs and the aesthetic value of his artistic achievements. It acknowledges the familiar biographical contexts of his songs, but it tells completely new stories about the birth and evolution of his musical ideas, identifying important musical trends in his work, heretofore undisclosed inter-song connections within his music, or between his music and that of others, and the nature and extent of his artistry. It aims not just to identify great songs, but to explain exactly what makes them so." Lambert, a renowned musicologist, brings to this work to life with both his professional expertise and an infectious personal appreciation of the power of pop music. His clear, engaging tone and accessible writing style allows even a musically inexperienced reader to follow him as he traces Wilson's musical evolution, with a particular focus on the years leading up to the writing and recording of Pet Sounds and SMiLE, albums which many consider to be the masterpieces of his oeuvre. Inside the Music of Brian Wilson is the definitive book on Wilson's music and is essential reading for fans of Brian Wilson, the Beach Boys, and great pop music. Includes THREE amazing Appendixes: Appendix 1: Brian Wilson Song Chronology\* Appendix 2: Four Freshmen Albums, 1955-1961 Appendix 3: Favorite Songs and Influences Through 1961 \*The most complete song chronology ever published.
