Stolen Women: Captured Hearts is a 1997 made-for-television film directed by Jerry London. The film stars Janine Turner as Anna Morgan, a woman living on the plains of Kansas in 1868 who is kidnapped by a band of Lakota Indians. It also stars Patrick Bergin, Jean Louisa Kelly, Michael Greyeyes, and Rodney A. Grant. The story is loosely based on the real Anna Morgan who was taken by Cheyenne Indians for approximately one year before being returned to her husband.

Based on the true story of Georgia Tann, a Tennessee socialite, who ran a black-market baby ring behind the Tennessee Children's Home Society. See more » Quotes

Sex trafficking is currently a hot news topic, but it is not a new problem or just a problem in "other" countries. Every year, an estimated 300,000 American children are at risk of being lured into the sex trade, some as young as eight years old. It is thought that up to 90 percent of victims are never rescued. Stolen is the true story of one survivor who escaped--more than once. First recruited while staying with her family at a hotel in Miami Beach, Katariina Rosenblatt was already a lonely and abused young girl who was yearning to be loved. She fell into the hands of a confident young woman who pretended friendship but slowly lured her into a child prostitution ring. For years afterward, a cycle of false friendship, threats, drugs, and violence kept her trapped. As Kat shares her harrowing experiences, readers will quickly realize the frightening truth that these terrible things could have happened to any child--a neighbor, a niece, a friend, a sister, a daughter. But beyond that, they will see that there is real hope for the victims of sex trafficking. Stolen is more than a warning. It is a celebration of survival that will inspire.

He Was Searching for a Lost Dog. He Found More Than He'd Ever Hoped For. On Valentine's Day 2019, someone stole Steven Carino's dog, Oliver, from his car. Having lost his mother at thirteen and grown up with an alcoholic father, he could always count on his dogs for comfort and company. But now, with his beloved Oliver missing, Steven felt utterly alone. Then, the miracle. In a series of near-impossible coincidences, people from different walks of life crossed paths with Oliver and with Steven. Hardworking immigrants, wealthy suburbanites, car mechanics, deli workers, old friends, close relatives, street cops, gang members, a TV news reporter, social media followers around the world, and one very gifted hairdresser all played a part in Steven's desperate journey to find Oliver. In the middle of it all, Steven realized that no one is ever truly alone--and that the power of community can be life-changing. Oliver is not just a book about a stolen dog. At its core, it's a story about kindness, friendship, and the power of faith. As Steven says, "This is more than just a dog story. This is an everybody story. This is a love story."

Follows the story of Solomon Northup--a free black man who was kidnapped and forced into slavery--through his twelve years of bondage in Louisiana until friends from New York rescued him from a cotton plantation.

One October night in 1975 Richard, aged five, was alone in the house with his three sisters. It was 3am and their mother hadn't come home yet. Next morning, the police arrived to take the children away. Their mother had become the first victim of a serial killer soon to become known as the 'Yorkshire Ripper'. Passed from one violent home to another, the children were forgotten by all except the press. As the salacious headlines multiplied, Richard and his sisters were never able to recover from their mother's murder. Whilst Richard tried to handle the terror of his violent upbringing, his sister struggled to deal with memories of sexual abuse. Without love or support they spiralled away from help or happiness. Then one day Richard McCann, having reached suicidal rock bottom, decided no one was going to rescue their lives but him. It was the beginning of an inspirational transformation. Now he is able to tell the story of how the forgotten children of violence suffer, and how they can heal. A heartbreaking, uplifting story of survival and hope.

From the associate producer of Alpha Dog starring Justin Timberlake, Bruce Willis, and Sharon Stone with a Foreword by Nick Cassavetes, director of Alpha Dog, The Notebook, and John Q "If there was ever a true-life drama tailor-made for a celluloid adaptation, it's this one." -Matthew Singer, VCRReporter In the privileged neighborhoods of Southern California, bored teenagers search for their next thrill--totally unaware of the dangers of living life without consequences. When pot dealer Mickey Youngblood kidnaps the kid brother of his hated nemesis, everyone's fate becomes sealed. Youngblood convinces his gang to hold young Bobby Leblanc "for ransom," but Bobby gets caught up in their world of drinking, drugs, and partying. Everyone forgets Bobby is a hostage--until the party turns bad and the rogue crew must face the tragic conclusion they never saw coming. Based on a true story still being played out in the California criminal court system and captivating nationwide audiences, author and screenwriter Michael Mehas brings us Stolen Boy, a gripping novel resulting from his unprecedented research and access to confidential case files.

The true story of the shocking crime behind the hit movie Alpha Dog One week after fifteen-year-old Nick Markowitz vanished, his mother received the news: Nick's body had been found in a shallow grave. Now she tells her own gripping story--the unbelievable motive for the murder, the shocking identity of the accused, and her own nine-year battle to bring her son's killers to justice.

This book is a true story and the contents are as related by John Wight himself. Much of the material was taken from the actual letters and tapes that he managed to get out of Madagascar during his seven years imprisonment.

For almost three decades, renowned baby-seller Georgia Tann ran a children's home in Memphis, Tennessee -- selling her charges to wealthy clients nationwide, Joan Crawford among them. Part social history, part detective story, part expose, The Baby Thief is a riveting investigative narrative that explores themes that continue to reverberate today.

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

This "superbly researched and engaging" (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South--and their daring attempt to escape and bring their captors to justice belongs "alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison" (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnapers and slavers in the United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnapers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal--an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still--shines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery's rapid expansion in the decades before the Civil War. "Rigorously researched, heartfelt, and dramatically concise, Bell's investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans" (Booklist).
