the causal analysis of a particular case, but to increase under-standing of a fascinating and little-known world.

Strawberry Fields is one of the most visited spots in Central Park and one of the most popular tourist attractions in New York City. This keepsake volume is a celebration of the 2.5-acre teardrop-shaped living memorial to John Lennon's life and work. The year 2010 marks the 25th anniversary of its dedication, as well as what would have been Lennon's 70th birthday. Located in the park directly across the street from the Dakota, the building where John and Yoko lived for several years before his untimely death, Strawberry Fields was originally conceived as a "peace garden." Yoko invited the entire world to donate trees, shrubs, and stones to fill this parcel of land, and today, the garden flourishes with contributions from 121 countries. A rich and lively patchwork of text and imagery will tell the story of John and Yoko's love affair with the park and of the creation of this unique corner of the park through an unprecedented collaborative effort between Yoko Ono, the Central Park Conservancy, and city officials.

Two Caravans is the hilarious and engaging second novel from bestselling author Marina Lewycka. A field of strawberries in Kent... And sitting in it are two caravans - one for the men and one for the women. The residents are from all over: miner's son Andriy is from the old Ukraine, while sexy young Irina is from the new: they each other warily. There are the Poles, Tomasz and Yola; two Chinese girls; and Emauel from Malawi. They're all here to pick strawberries in England's green and pleasant land. But these days England's not so pleasant for immigrants. Not with Russian gangster-wannabes like Vulk, who's taken a shine to Irina and thinks kidnapping is a wooing strategy. And so Andriy - who really doesn't fancy Irina, honest - must set off in search of that girl he's not in love with. 'Immensely appealing. All but sings with zest for life...could hardly be more engaging, shrewd and winningly perceptive' Sunday Times 'Extremely funny, closely observed insights, scenes of farce, tragedy and horror' The Times Literary Supplement 'Hilarious and horrifying, Two Caravans is funny, clever and well observed' Guardian Bestselling author Marina Lewkyca has received great critical

A reminiscence of the late rock star sketches the events of his life, the rise of the Beatles, and the circumstances surrounding his tragic death

Until now, the true story of John Lennon's childhood has never been told. John's sister Julia has herself been on a personal journey that has made it possible only now to reveal the full extent of the pain and difficulties - as well as the happier times - living inside John Lennon's family brought. Julia reveals the various strong, self-willed and selfish women who surrounded John as he grew up. John was removed from his mother at the age of 5 to live with his Aunt Mimi, and here Julia shows for the first time the cruelty of this decision - to both mother and son, she sheds a new light on his upbringing with Mimi which is often at dramatic odds with the accepted tale. John's frequent visits to his mother and sisters gave him the liveliness, freedom and love he sought and allowed him to develop his musical talents. The tragic death of their mother, knocked down outside Aunt Mimi's house by a speeding car when John was 17, meant that life for him and his sisters would never be the

same again. Poignant, raw and beautifully written, IMAGINE THIS casts John Lennon's life in a new light and reveals the source of his emotional fragility and musical genius. It is also one family's extraordinary story of how it dealt with fame and tragedy beyond all imagining.
