In this superlative, three-act, mystery-comedy statuettes of little soldier boys on the mantel of a house on an island off the coast of Devon fall to the floor and break one by one as those in the house succumb to a diabolical avenger. A nursery rhyme tells how each of the ten "soldiers" met his death until there were none.

One by one, the guests arrived at the mansion on Indian Island, summoned by a mysterious host. And one by one, with terrifying meticulousness, they were stalked by a cunning murderer. Utterly baffling...and yet there was a pattern, concealed in a nursery rhyme hanging over the fireplace.

Harmless and funny, ...or racist? In children's books, we all remember the catchy melody and the controversy around insulting terms, such as "Negro" ...and others terms. What was the purpose of this? To promote colonialism and exploitation, or to serve as a means of education? Where does such a thinking come from that downgrades Africans and Blacks? Are these questions outdated? Not at all. In an immigration society, we cannot avoid addressing such issues - in everyday life as well as in education. This book examines the issue in the form of children's literature. (Series: Cultural Studies /

Kulturwissenschaft / Estudios Culturales / Etudes Culturelles - Vol. 41)

A killer stalks a group of ten total strangers on an isolated island off the Devon coast, in a suspenseful story of murder and retribution set to a sinister nursery rhyme.

SIMPLE ADDITION BY A LITTLE NIGGER was published originally between 1874 and 1875 by McLoughlin Brothers, New York, New York.

Ten people find themselves stranded in the lonely house on Indian Island when their supposed hosts send word that they have been detained. A mysterious voice, afterwards discovered to come from a gramophone record, indicts each one of them -- the eight guests and the two servants -- of murder. It transpires that no-one has met their hosts and that they have evidently been decoyed to the island. First one and then another dies; each death according to the rhyme of "Ten little Indians," and with each death one of the little china figurines on the mantelpiece is found broken. The tension grows as they realize that the killer is, in fact, one of themselves. Eventually only two little Indians are left; the real killer appears (his death having been feigned) and the remaining two are able to outwit him--Publisher's description.

Readers will say, "Yes, yes, yes!" From the moment Bella wakes up, her day goes wrong. She hates her breakfast egg, she won't share, she has a hurting foot, her supper is too hot, and her bath is too cold. And then it's no, no, no to bedtime. But at last a yawn, a story, and a kiss from mother end the day, with the promise of a cheerful tomorrow. Every parent, teacher, and caregiver will respond to this hilariously accurate portrait of one toddler with a case of the Terrible Twos!
