The Cold War was an ongoing political rivalry between the United States and the Soviet Union and their respective allies that developed after World War II. This hostility between the two superpowers was first given its name by George Orwell in an article published in 1945. Orwell understood it as a nuclear stalemate between "super-states": each possessed weapons of mass destruction and was ...

Introduction. The Cold War was the most important feature of the international system in the second half of the twentieth century. The rivalry between the Soviet Union (USSR) and the United States (US) shaped the contours of conflict and cooperation among states and peoples between 1945 and 1991. Although the conflict did not drive all aspects of international relations, its force permeated ...
