Bangladesh to see a 20-inch (51-cm) tall cow that its keepers hope is the world's shortest.

COW n./ka?/ A piece of meat; born to breed; past its sell-by-date; one of the herd. Women don't have to fall into a stereotype. The cows is a powerful novel about three women. In all the noise of modern life, each needs to find their own voice. It's about friendship and being female. It's bold and brilliant. It's searingly perceptive. It's about never following the herd. And everyone

Get Free The Cows

is going to be talking about it.

With her trademark precision, Davis turns her eye to three beloved cows, capturing them in celebratory, delighted detail.

Young readers are invited to count backwards from ten to zero as a herd of black and white cows becomes smaller one by one as they return home for the evening.

Twenty-five-year-old Steven faces a bleak life with a sadistic mother and a job at a slaughterhouse where he is confronted with

extreme violence and death.

"Within a day of receiving this book, I had consumed it... Absorbing, moving, and compulsively readable."—Lydia Davis In this affectionate, heart-warming chronicle, Rosamund Young distills a lifetime of organic farming wisdom, describing the surprising personalities of her cows and other animals At her famous Kite's Nest Farm in Worcestershire, England, the cows (as well as sheep, hens, and pigs) all roam free. They make their own choices about rearing, grazing, and housing. Left to be themselves,

Get Free The Cows

the cows exhibit temperaments and interests as diverse as our own. "Fat Hat" prefers men to women; "Chippy Minton" refuses to sleep with muddy legs and always reports to the barn for grooming before bed; "Jake" has a thing for sniffing the carbon monoxide fumes of the Land Rover exhaust pipe; and "Gemima" greets all humans with an angry shake of the head and is fiercely independent. An organic farmer for decades, Young has an unaffected and homely voice. Her prose brims with genuine devotion to the wellbeing of animals. Most of us never apprehend the various inner lives animals possess, least of all those

Get Free The Cows

that we might eat. But Young has spent countless hours observing how these creatures love, play games, and form life-long friendships. She imparts hard-won wisdom about the both moral and real-world benefits of organic farming. (If preserving the dignity of animals isn't a good enough reason for you, consider how badly factory farming stunts the growth of animals, producing unhealthy and tasteless food.) This gorgeously-illustrated book, which includes an original introduction by the legendary British playwright Alan Bennett, is the summation of a life's work, and a delightful

Get Free The Cows

and moving tribute to the deep richness of animal sentience.

The Cows are a band of bovines who embark on a hilarious and Udderly Crazy World Tour of music, merriment, mishaps, and cow farts!

A history of the prion diseases, or subacute spongiform encephalopathies, features a historical perspective beginning with scrapie in 17th-century England to recent concerns in France about the spread of bovine spongiform.

The Cows is a short picture book for early

Get Free The Cows

emergent readers as well as a fun read-aloud book for pre-readers. Follow a day in the life of Kiddy Cow on the Cow family farm in this rhyming book full of farming hay and pasture play.

Almost 100 years after the American Revolution, Abby and Julia Smith were fighting against taxation without representation. Women hadn't been given the vote, and the Smith sisters refused to pay an unfair property tax that they had no voice in establishing. When the authorities confiscated their cows, the Smiths bought

Get Free The Cows

them back at auction, thus paying what they owed without paying their taxes. The cows were seized at tax time for a number of years, and the Smiths's stand attracted the attention of women's suffrage supporters across the country. Lively, carefully researched illustrations bring this historical episode vividly to life. Authors' note, bibliography.

I will love you till the cows come home from a trip to Mars through skies unknown, in a rocket ship made of glass and stone... I will love you till the cows come home. Love knows

Get Free The Cows
