"The First Man You Meet ... Shelly Hansen was horrified when her great-aunt's wedding dress arrived--because, according to family legend, she was destined to marry the next man she met. So when she tripped on an escalator and fell into Mark Brady's arms, she told him--and herself--that she wasn't interested in marriage. But then she started seeing him everywhere ... Coincidence? ... is The Man You'll Marry. After her own wedding, Shelly sends her best friend--Jill Morrison, the dress--which is delivered to Jill's hotel in Hawaii. But at least the man she sat beside on the plane--gorgeous grouch Jordan Wilcox--can't be the man in question, can he? She met him before she got the dress!"--P. [4] of cover.

This volume is the first edition with commentary since 1907 of Aristophanes' last surviving play, in which, as so often before, an audacious and imaginative hero finds a miraculous remedy for the all-too-real ills of the contemporary world in this case the concentration of wealth in the hands of those who don't deserve it at the expense of ...

Honest Abe. The rail-splitter. The Great Emancipator. Old Abe. These are familiar monikers of Abraham Lincoln. They describe a man who has influenced the lives of everyday people as well as notables like Leo Tolstoy, Marilyn Monroe, and Winston Churchill. But there is also a multitude of fictional Lincolns almost as familiar as the original: time traveler, android, monster hunter. This book explores Lincoln's evolution from martyred president to cultural icon and the struggle between the Lincoln of history and his fictional progeny. He has been Simpsonized by Matt Groening, charmed by Shirley Temple, and emulated by the Lone Ranger. Devotees have attempted to clone him or to raise him from the dead. Lincoln's image and memory have been invoked to fight communism, mock a sitting president, and sell products. Lincoln has even been portrayed as the greatest example of goodness humanity has to offer. In short, Lincoln is the essential American myth.

From the author of *The Class of 1846*: “ A swift-paced narrative of Lincoln ’ s pre-presidential life. ” —*The Washington Post Book World* How did Abraham Lincoln, long held as a paragon of presidential bravery and principled politics, find his way to the White House? How did he become the one man great enough to risk the fate of the nation on the well-worn but cast-off notion that all men are created equal? Here, award-winning historian John C. Waugh takes readers on Lincoln ’ s road to the Civil War. From his first public rejection of slavery to his secret arrival in the capital, from his stunning debates with Stephen Douglas to his contemplative moments considering the state of the country he loved, Waugh shows us America as Lincoln saw and described it. Much of this wonderful story is told by Lincoln himself, detailing through his own writing his emergence onto the political scene and the evolution of his beliefs about the Union, the Constitution, democracy, slavery, and civil war. Waugh sets Lincoln ’ s path in new relief by letting the great man tell his own story, at a depth that brings us ever closer to understanding this mysterious, complicated, and truly great man. “ Lively prose backed with solid research. ” —*Publishers Weekly* “ [Waugh ’ s] judicious use of the historical record and his dramatic prose make for an enjoyable read. ” —*Kirkus Reviews*
