Sanity means seeing the world as it really is; not deceiving ourselves that the world is different than it really is. If we can do that, then we are seeing things correctly and have "sanity". However, not seeing the world and God as they truly are does not mean you are insane, in the mental aspect of the word.

volume for the layman shows the practical aspects of theology in the life of a Christian believer. Logic, clarity, and simplicity permeate this eminently readable book.

~~Theology and Sanity by Frank Sheed — Goodreads~~

About Theology & Sanity. Frank Sheed has revised and updated his masterpiece. Theology and Sanity in its new form retains all the fire and clarity of the original, is still profoundly committed to - and itself a fine example of - the rationality of Christian faith; but now takes full account of the

## Where To Download Theology And Sanity

MY concern in this book is not with the will but with the intellect, not with sanctity but with sanity. The difference is too often overlooked in the practice of religion. The soul has two faculties and they should be clearly distinguished. There is the will: its work is to love—and so to choose, to decide, to act. There is the intellect: its work is TO KNOW, TO UNDERSTAND, TO SEE: to see ...

Ingram 2004.

~~Forward — ParishPlus~~

Theology and Sanity is simply one of the best books on the Catholic faith ever written. It offers clear thinking (sanity) when it comes to God and what he has created (everything else). This book revolutionized my life when I first read it over thirty years ago. I was then an Evangelical Protestant and a fan of C.S. Lewis.

~~Theology and Sanity: Frank Sheed, Aeterna Press ...~~

Frank Sheed, in his wonderful volume THEOLOGY AND SANITY, writes at length upon theological topics which are meant to make a man see the world through the eyes of the Church.

Various topics, such as the nature of the Trinity and the Fall of Man, are wonderfully discussed in a few short pages.

~~Theology and Sanity: Frank Sheed: Amazon.com.au: Books~~  
In this work, one of Sheed's more popular titles, he defines sanity as living mentally in the real world. He argues that some of the more important elements of reality cannot be known save through theology. This book contains as much theology as one must know to be at home and aware in the real world.
