Shifter Novel Saturday night is shifter night...It's that one night of the week when the shifters head into Sweetwater to blow off a little steam. Sometimes, when they're lucky enough, it's to find a mate ... a sweet, human mate ... since shifter females are in such short supply. Winston wishes it was his turn to find a partner because he's done with all the screwing around. Done with all the meaningless one-night-stands. He might head into town when it's his turn, but he's staying far away from temptation. He'll wait until his name comes up on the mating list and then he'll settle down. His good intentions are blown to hell when he meets Ana, a timid female struggling with an event from her past. Who is this beautiful creature? This broken, sad shadow of herself. Winston promises to help her. Hell, they'll help each other. He might have vowed celibacy but he's not dead. Not by a long damn shot. This way, he can spend time with a beautiful female without any expectations and in return, he'll help her get over her fears. Problem is though, friends should not be this attracted to one another. They definitely shouldn't be this intrigued by each other. Keeping his hands off of Ana is becoming an impossibility. Will he be able to let her go when the time comes? Thing is, he's not so sure anymore. Mini-cliffhanger! No cheating with a guaranteed HEA. The Story Contains strong sexual themes/language and is not intended for readers under the age of 18.

"Prepare to be burned" (Gena Showalter) by this sexy and suspenseful enemies-to-lovers paranormal romance in the New York Times bestselling Demonica series. Runa Wagner never meant to fall in love with the sexy stranger who seemed to know her every deepest desire. But she couldn't resist the unbelievable passion that burned between them, a passion that died when she discovered his betrayal and found herself forever changed. Now, determined to make Shade pay for the transformation that haunts her, Runa searches for him, only to be taken prisoner by his darkest enemy. A Seminus Demon with a love-curse that threatens him with eternal torment, Shade hoped he'd seen the last of Runa and her irresistible charm. But when he wakes up in a dank dungeon chained next to an enraged and mysteriously powerful Runa, he realizes that her effect on him is more dangerous than ever. As their captor casts a spell that bonds them as lifemates, Shade and Runa must fight for their lives and their hearts-or succumb to a madman's evil plans.

When Master Vampire Volod targets the weaknesses of every paranorm in the city to rule the night once and for all, half-human, half-Drow PI Nyx must drive a stake through this dark conspiracy. Original.

Nyx hates Zombies. Seriously. Hates. Zombies. Ever since she was a youngling, she's been haunted by them. And even though she's a big girl now—a half-human, half-Drow private eye, to be precise—Nyx bristles at the mere thought of the walking dead.

Meanwhile, the corpses of humans and paranorms alike are turning up all over New York City. Now it's up to Nyx to find out who—or what—is behind this series of horrific attacks. But it's only a matter of time before Nyx is drawn deeper into her darkest fears...and her worst nightmare about meeting a real, flesh-and-blood-hungry, body-snatching Zombie comes blindingly to life. Or death... Nyx faces her most terrifying case yet in *Zombies Sold Separately*--a Night Tracker Novel from bestselling author Cheyenne McCray.

The final book in this exciting series by USA Today bestselling author Charlene Hartnady *The Feral*. Self-appointed rulers of all. Strong. Majestic. The most badass of all the species, and yet, the most vulnerable. All of his Feral brothers are falling over themselves to meet human women. They want to mate and procreate as a matter of urgency. Not him! There are more important things for Reece to worry about right now. Like keeping the queen safe from harm. She's heavy with clutch. The chicks are to be born soon. The future of his people is at stake. The Fallen are circling like vultures. Word is that Ekon plans on stealing the young as soon as they are hatched. He wants to take back the throne. Reece's focus must remain on keeping the royals safe at all costs. Even if this is to the detriment of his own happiness. Hope loves her job as an Ob-Gyn. She's considered to be one of the best in her field. Years of hard work and dedication have paid off. There's nothing better to her than delivering babies for a living. It's heart-breaking that she'll never have children of her own. It's all she's ever wanted. Recently divorced, her heart is in tatters. Her dreams seem impossible. Sad and depressed, she jumps at the chance to travel to an exotic destination, a place she never knew existed. They have an honest-to-god royal family, and they're not human. It's an exciting new start for her. Perhaps an opportunity to allow her heart to heal. The head of the royal guard takes his job so seriously that he keeps getting in her way. He's brooding and, when all is said and done, very rude and obnoxious. Hope shouldn't find him as appealing as she does. Not when men are off-limits to her, especially after what her ex pulled. Thing is, Reece isn't a man...he's a Feral. He's sexy, larger than life, and not in the least bit interested, which suits her just fine. No cheating. Contains hot, alpha males and therefore strong sexual themes/language
