Job interviews should feel like a conversation, with two people asking and answering questions. You should follow the lead of your interviewer and prioritize giving them information about yourself, but know that interviewers expect you to ask questions, too. When you do, it shows that you have enthusiasm for and genuine interest in the job.

NEW YORK TIMES BESTSELLER The story of how the NFL, over a period of nearly two decades, denied and sought to cover up mounting evidence of the connection between football and brain damage "League of Denial may turn out to be the most influential sports-related book of our time."—The Boston Globe "Professional football players do not sustain frequent repetitive blows to the brain on a regular basis." So concluded the National Football League in a December 2005 scientific paper on concussions in America's most popular sport. That judgment, implausible even to a casual fan, also contradicted the opinion of a growing cadre of neuroscientists who worked in vain to convince the NFL that it was facing a deadly new scourge: a chronic brain disease that was driving an alarming number of players—including some of the all-time greats—to madness. In League of Denial, award-winning ESPN investigative reporters Mark Fainaru-Wada and Steve Fainaru tell the story of a public health crisis that emerged from the playing fields of our twenty-first-century pastime. Everyone knows that football is violent and dangerous. But what the players who built the NFL into a \$10 billion industry didn't know—and what the league sought to shield from them—is that no amount of padding could protect the human brain from the force generated by modern football, that the very essence of the game could be exposing these players to brain damage. In a fast-paced narrative that moves between the NFL trenches, America's research labs, and the boardrooms where the NFL went to war against science, League of Denial examines how the league used its power and resources to attack independent scientists and elevate its own flawed research—a campaign with echoes of Big Tobacco's fight to deny the connection between smoking and lung cancer. It chronicles the tragic fates of players like Hall of Fame Pittsburgh Steelers center Mike Webster, who was so disturbed at the time of his death he fantasized about shooting NFL executives, and former San Diego Chargers great Junior Seau, whose diseased brain became the target of an unseemly scientific battle between researchers and the NFL. Based on exclusive interviews, previously undisclosed documents, and private emails, this is the story of what the NFL knew and when it knew it—questions at the heart of a crisis that threatens football, from the highest levels all the way down to Pop Warner.

New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Video Teacher's Guide offers guidance on using the video and contains transcripts of the sequences, which may be photocopied for student use.

Reel in the Profits with YouTube YouTube delivers more than a billion minutes of streaming content to 1.3 billion active users every day. HOW TO TAKE EVANGELISM OUT OF THE RELIGIOUS BOX AND WEAVE IT INTO LIFE AT WORK The people in your group spend hours every day in the most high-impact mission field in the world: their workplaces. A place where they are regularly in touch with people facing significant life questions. But to have an impact, they need a perspective that's different from anything they've ever heard or read about evangelism. Real evangelism is a process. It's organic---more like farming than selling. In six thought-provoking and empowering sessions, Going Public with Your Faith walks your group through a proven approach to evangelism that respects the unique relationships they have with their coworkers, clients, or customers. They will learn easy-to-implement ways to: * Create curiosity about faith and stimulate spiritual interest * Recognize spiritual hunger and open doors * Cultivate common ground with non-Christians * Tell their personal faith stories invitingly * Practice 'less is more' to share their faith in a nonthreatening way . . . and more Going Public with Your Faith kit includes: 1 -- Leader's guide* 1 -- Participant's guide* 1 -- Going Public with Your Faith softcover book* 1 -- 92-minute VHS and DVD -- use either format *Also sold separately Sessions include: 1. Spiritual Economics 2. Called to the Workplace 3. Is Anybody Hungry? 4. Earning the Right to Be Heard 5. Keep It Simple: From Cultivating to Planting 6. From Planting to Harvesting

If God loves me, why did my child die? If life is supposed to be so wonderful, why do I feel so bad? If God hears my prayers, why am I still single? If God is in control of the world, why is life so hard? Sheila Walsh hears questions like these wherever she goes. In her own life journey, she has struggled with difficult questions?and has found some answers. Not easy, pat answers, but real-life, lived-out-in-the-flesh answers that can help you find meaning and purpose in spite of pain and suffering. Life Is Tough but God Is Faithful offers encouraging insight into God's presence in the midst of our questions and struggles?and highlights positive choices you can make, no matter what your circumstances may be. "Life is tough, but God is faithful" has become Sheila's motto. "The Bible is full of stories of men and women who, in the midst of the toughest situations of life, discovered the faithfulness of God," she says. "When our dreams go sour or seem unfulfilled, we can choose to allow Satan to slither into our lives, or we can choose to remember that God is faithful, no matter how hopeless life gets." Sheila looks at thirteen crucial turning points that can help you rediscover God's love and forgiveness. Showing how the choices you make affect your life, she offers insights from the book of Job, from her own life, and from the lives of people whose simple but determined faith helped them become shining lights in a dark world.

An invaluable resource for any wrestling fan of the era. The fifth in the series from www.historyofwrestling.info. This is the complete guide to every WWF VHS release from October 1999 to May 2002, with full reviews of every tape, alternative wrestler bios, exclusive artwork by Bob Dahlstrom, awards, match ratings, and much, much more.
